

PHLEBOTOMY

ASSOCIATE DEGREE & CERTIFICATE PROGRAMS

2023-2024 CATALOG

DESCRIPTION

Phlebotomy training prepares students by teaching skills required for blood specimen collection and processing in preparation to fulfill State phlebotomy certificate requirements for a Certified Phlebotomy Technician (CPT-1). The graduate is prepared for employment in hospitals, independent labs, physicians’ offices or public health clinics. Hands-on externship experience is part of the training. A Certificate of Specialization in Phlebotomy (C.S.) will be awarded after passing both the classroom portion (PHLB 109A) and the externship portion (PHLB 109B).

CERTIFICATE PROGRAM

A **Certificate Program** is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0.

FINANCIAL AID

Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that Cuesta College offers a full array of financial aid programs—grants, work study, scholarships, federal loan programs, and fee waivers. These programs are available to both full-and part-time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information:
