PETITION TO REPEAT SAME COURSE IN THE SAME TERM

Certain courses may be repeated if noted in the Class Finder or Catalog to confirm allowable number of times a class may be repeated. A student may enroll in two or more sections of the same credit course during the same term as long as they are <u>not</u> enrolled in more than one section at any given time for the length of the course.

You may petition to repeat the same course in the same term if:

- 1. The allowable number of repeats have not been met, including prior enrollments.
- 2. The class start/end dates are consecutive and do <u>not</u> overlap in calendar dates.
